Check out our NEW Air Filtration System!

Last month we had an NEW air filtration system installed! The system is an advanced purifier that will clean and disinfect the air in the entire school. We are hoping you will find comfort in this news as we prepare to return to the studio for the fall. This is another step in our continuous efforts to keep our dancers, families, and employees as safe as possible.

Benefits of an Air Filtration System:

- Reduces and eliminates viruses, bacteria, mold, and odor.
- Prevents pathogens from multiplying and contaminating our studio space.
- Helps with allergies, asthma and respiratory issues.

Back to Dance Checklist:

The do's and don'ts of NSSD

- **Do arrive ready to dance!** Dressing rooms are closed and only small dance bags are allowed.
- **Don't forget your mask!** Masks are required at all times inside the dance building.
- **Do bring a water bottle!** The water fountain is closed and water breaks will take place outside supervised by a NSSD staff member.
- **Don't bring your parents and siblings!** Only NSSD dancers are allowed inside the building, if your parent or guardian needs to speak to the front desk please call before entering the building.
*Pre-dance division students may have ONE adult enter the building for drop off and pick up.
- **Do come ready to listen to directions!** NSSD Teachers and Staff are ready to help you have a successful and fun first day of dance.
- **Don't forget your liability waiver!** ALL dancers are **REQUIRED** to have a signed liability waiver to participate in dance class. Waivers can be found at-
